**Ardent's King of Prussia Branch Delivers Food to Those In Need
Member-Owned Financial Cooperative Donates to an Upper Merion Food Bank**

PHILADELPHIA, Pa. (Jan. ##, 2023) – Ardent Credit Union recently delivered 120 pounds of non-perishable food and goods to the Upper Merion Area Community Cupboard, a food bank serving Upper Merion, Bridgeport, the Swedes, West Conshohocken and Wayne. Ardent members and staff participated in the monthlong collection to commemorate the opening of the credit union's new 1,800-square-foot location in King of Prussia Town Center.

“This is a time of year where many of us reflect on all our blessings and look for ways to help those around us who may be in need,” Ardent President and CEO Rob Werner said. “Our KOP team has received such a warm welcome from the King of Prussia community so far and this is our way of saying thank you. We're proud to support the Upper Merion Area Community Cupboard and look forward to deepening our relationship with this wonderful community.”

A growing credit union, Ardent has nearly 37,000 members, branches across the greater Philadelphia region and more than \$850 million in assets, making it the 13th largest credit union in the state. More details on Ardent's new KOP location can be found at ardentcu.org/kop.
